Welcome

Dr. S. N. Gaur

Org. Chairman

Dr. O. P. Sharma

Org. Secretary

It gives us great pleasure to extend an invitation to all the members of Geriatric Society of India® & other medical as well as paramedical personnel involved in geriatric care to attend GSICON 2016.

This is the annual conference of our Geriatric Society of India® in which we assemble to exchange the views on elderly care & update ourselves with the latest developments in the field of geriatric medicine.

We also interact with our NRI experts in the same field & other experts from across the globe.

This is also the occasion to listen to the various orations instituted by our members in the found memory of various stalwarts in dedication for senior citizens.

During the conference we also hold our convocation ceremony of our society in which newly elected fellows are conferred upon the prestigious fellowship of the society.

This time the venue is Vallabhbhai Patel Chest Institute, a premiere institution of our country dedicated to respiratory care located in northern Delhi.

December 2016 will be a time of festivity with pleasant weather during which we have both scientific as well as social feast.

We look forward for your active participation in GSICON 2016.

Org. Committee
